"How to stay healthy?"

a lot of water – exercise every day

....

....

....

1. Listen and circle the correct answer from a, b, c or d: 6

My name is Omar. I love my living room. I spend most of my time here in the living room. On the right, there is a couch with two modern cushions. On the left, there is an armchair and a big television in front of it. I love watching television at night with my family.

1. Omar loves his............................ .
   a) bedroom b) kitchen c) living room d) balcony
2. On the right, there is a/an .... with two cushions.
   a) armchair b) bed c) couch d) chair
3. On the left, there is a ....
   a) television b) computer c) poster d) closet
4. Omar loves watching television ....
   a) in the evening b) in the afternoon
   c) in the morning d) at night

2. Choose the correct answer from a, b, c or d: 4

1. There's a big .... in the kitchen.
   a) bed b) oven c) cushion d) elevator
2. There's an .... house in the Netherlands. It's upside down.
   a) unhappy b) unusual c) unlucky d) unsafe
3. Sama has a .... She needs to go to the dentist.
   a) earache b) toothache c) headache d) backache
4. "............................" means the very small things that can make you ill.
   a) Wound b) Treatment c) Heal d) Bacteria

3. Read and complete the text with the words in the box:

(school – treatment – hospital – special – honey)

My name is Eman. I'm a doctor. I work in a hospital. My favorite food is honey. I like honey because it's not only a food, but it's also a treatment for some injuries and illnesses. Honey has been used by doctors for thousands of years. I use honey too, but it's a special honey. Only doctors use it.

4. Read the text and answer the questions:

There is an unusual house in the Netherlands – it's upside down! It is actually an old farmhouse, which people are changing to make it modern. This works very well because all the windows are at the top, so you get a lot of light. Local people like it because it fits in very well with the local landscape, which is farms and fields. It is also very ecological because they use air, water, and sun to heat and make energy for the house. That's so cool!

A Choose the correct answer from a, b, c, or d:

1. The upside down house is in ....

a) America b) England c) Egypt d) the Netherlands

2. Upside down houses get lots of ....

a) water b) light c) land d) electricity

B Answer the following questions:

3. Why do people like the upside down house?

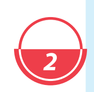

Local people like it because it fits in very well with the local landscape.

4. What makes this house ecological?

It is also very ecological because they use air, water, and sun to heat and make energy for the house.

5. Put the words in the correct order to make sentences:

1. new – to – my – Welcome – apartment.

Welcome to my new apartment.

2. have – a – headache – Do – you?

Do you have a headache?

6. Read and write the correct form of the word(s) between brackets:

1. Does Hani (has) have a headache?
2. They didn't (came) come here by airplane.

7. Punctuate the following:

what's better about this new apartment

What's better about this new apartment?

8. Write a paragraph of THIRTY (30) words using the following guiding elements:

"My perfect room"

bedroom – right

I love my bedroom. I share it with my sister. On the right, there is my bed with a desk next to it. On the left, there is my sister's bed. On the wall, there are lots of posters of animals.

Model Exam 2

1. Listen and circle the correct answer from a, b, c or d:

Nahla was very ill yesterday. She went to the hospital. The nurse asked Nahla what the matter was. Nahla said that she fell over in the playground. She had a cut on her arm. The nurse cleaned the cut and put a bandage on it. Nahla became fine and thanked the nurse.

1. Nahla fell over in the ....
   a) class b) bedroom c) playground d) street

2. The underlined word "It" refers to ....

a. honey b. food c. lemon d. milk

B) Answer the following questions.

3 - Summarize the text in one sentences.

4 - Why is honey useful?

5

I'm Ahmed. I'm interested in unusual things around the world. One day, I found an unusual house in the Netherlands online - it's upside down! It is actually an old farmhouse which people are changing to make it modern. This works very well because all the windows are at the top, so you get a lot of light.

Local people like it because it fits in very well with the local landscape. Which is farms and field. It is also very ecological because they use air, water, and sun to heat and makes energy for the house. That's so cool!

A) Choose the correct answer

1. The general idea of the text is about "..........................".

a. Local landscape b. Search online c. Unusual house d. The Netherlands

2. The underlined word "modern" means ....

a. old b. new c. usual d. awful

B) Answer the following questions.

3 - Why is the unusual house ecological?

4 - Summarize the first paragraph in one sentence.

6

To stay healthy, it's very important to eat a variety of food, specially fruit and vegetables. It is very important to have good breakfast in the morning. You shouldn't have sweets every day.

Most of our body is water, so it's necessary to drink plenty of water every day. You shouldn't drink a lot of fizzy drinks because they aren't good for your health. You shouldn't watch TV or play on the computer more than one hour a day.

A) Choose the correct answer

1. You shouldn't eat .... very day.

a. fruits b. vegetables c. sweets d. seafood

2. The underlined word "stay" means to ....

a. give b. stop c. break d. keep

B) Answer the following questions.

3 - Summarize the second paragraph in one sentence.

4 - What should you do to stay healthy?

Question 05 put the words in the correct order to make sentences

المتفوق|Question 04 **Read the text and answer the questions**

There is an unusual house in the Netherlands – it's upside down! It is actually an old farmhouse, which people are changing to make it modern. This works very well because all the windows are at the top, so you get a lot of light. Local people like it because it fits in very well with the local landscape, which is farms and fields. It is also very ecological because they use air, water, and sun to heat and make energy for the house. That's so cool!

A-Choose the correct answer from a, b, , or d:

1-The upside down houses get lots of.............. .

a- water b- light c- land d-electricity

2-The upside down house is in ....

a- Britain b-Australia c- the Netherlands d-Egypt

B-Answer the following questions:

3- What makes this house ecological?..

4-Do you like to live in the upside down house?Why/Why not?..

(2)

Honey is very useful. Ir isn't only a food; it is also used as a treatment for some injuries and illnesses. It was first used to treat wounds by Egyptian doctors around 5000 years ago. Honey contains things that can help to kill bacteria. This helps wounds to heal more quickly. You must be careful, however. The honey that doctors use is a special honey only that is safe to use as a treatment. So, if you have a jar of honey in your cupboard, you can mix it with milk to make your cough better.

A-Choose the correct answer from a, b, c, or d:

1- The main idea of the text is about ....

a- sunscreen b- honey c- bandages d- bacteria

2- The underlined word "wounds" means ....

a-foods b- drinks c- cuts d- ankles

B-Answer the following questions:

3-How can you make your cough better?...

4-Who first used honey to treat wounds?...

(3)

There are many things we can do to stay healthy. It's important to drink plenty of water. Water keeps your body working well. It's especially important if it's very hot or if you are exercising. Another thing you can do to stay healthy is to sleep early to get enough sleep. Experts think that you should get between eight and nine hours of sleep every night.

A. Choose the correct answer from a,b,cor d.

Nada told the doctor that she fell (3). in the playground and hurt herself. The doctor cleaned the cut and put a bandage (4) on it.

المتفوقQuestion 04 **Read the text and answer the questions**

There is an unusual house in the Netherlands – it's upside down! It is actually an old farmhouse, which people are changing to make it modern. This works very well because all the windows are at the top, so you get a lot of light. Local people like it because it fits in very well with the local landscape, which is farms and fields. It is also very ecological because they use air, water, and sun to heat and make energy for the house. That's so cool!

A-Choose the correct answer from a, b, , or d:

1-The upside down house get lots of.............. .

a- water b- light c- land d-electricity

2-The upside down house is in ....

a- Britain b-Australia c- the Netherlands d-Egypt

B-Answer the following questions:

3- Because local people use air, water, and sun to heat and make energy for the house.

4-yes, because it's ecological

(2)

Honey is very useful. Ir isn't only a food; it is also used as a treatment for some injuries and illnesses. It was first used to treat wounds by Egyptian doctors around 5000 years ago. Honey contains things that can help to kill bacteria. This helps wounds to heal more quickly. You must be careful, however. The honey that doctors use is a special honey only that is safe to use as a treatment. So, if you have a jar of honey in your cupboard, you can mix it with milk to make your cough better.

A-Choose the correct answer from a, b, c, or d:

1- The main idea of the text is about ....

a- sunscreen b- honey c- bandages d- bacteria

2- The underlined word "wounds" means ....

a-foods b- drinks c- cuts d- ankles

5- Read the text and answer the questions:

My uncle Ali is a scientist and loves animals. When he was younger, he traveled a lot in South America for work. He loved it there because the people were very **friendly** and helped him with his work. Then, about three years ago, something frightening happened to him and he was lucky he lived to tell me about it!
He was very interested in howler monkeys and wanted to do some research into their family groups. A local villager told him where there was a howler monkey family nearby and he was very happy. But the villager also said, "Tomorrow, we are going to have a lot of rain so it could be unsafe."

A. Choose the correct answer:

1. A/An ______ helped. uncle. Ali finds howler monkeys.
   (local villager - scientist - animal).
2. The underlined word "friendly" means ______
   (angry - kind - hungry).

B. Answer the following questions:

3. Why did uncle Ali love South America?

4. Summarize the second paragraph in one sentence.

In a hospital in Bangalore, a city in southern India, there are many patients. The hospital treats patients from all over the country. With every patient, there are about ten family members. In India, it is unusual for a sick person to go to the hospital alone. Family usually go with their unwell relative.

This means that the hospital is often very crowded and busy. But instead of telling family members that they can't visit their sick relatives, the staff at this hospital are very wonderful. They have classes to teach the family to look after the sick person. For example, some people learn how to change bandages and others learn how to give injections.

A Choose the correct answer:

1. The main idea of the text is t a/an ______ (Egyptian festival- special hospital - school uniform).
2. The underlined word " **crowded**" means to ______ people in it. (little - many - few).

B Answer these questions:

3. What useful things can family members do to help their sick relatives?

4. Summarize the first paragraph in one sentence.

6-Punctuate the following sentences:

1- reem is vey friendly

2- did ancient egyptian use honey

15- I [ ] (going) to the park yesterday. (went)

4-Reorder the following words to make a sentence:

1- likes - new - **My** - apartment - the - sister.

My sister likes the new apartment.

2- in - **Do** - live - house - you - a big?

Do you live in a big house?

3- the countryside - **Would** - like - to live - you - in?

Would you like to live in the countryside?

4- the Netherlands - in - is - down - **The upside** - house.

The upside down house is in the Netherlands.

5- throat - you - **Do** - have - a - sore?

Do you have a sore throat?

6- **How** - your - feel - does - brother - today?

How does your brother feel today?

7- treat -**This** - hospital - sick - many - people.

This hospital treat many sick people.

8- cut - **I** - on the - will - put - a bandage

I will a bandage on the cut.

9- to stay - healthy - **What** - do -you - can?

What can you do to stay healthy?

10- enough - get - to - important - **It's** - sleep.

It's important to get sleep enough.

5- Read the text and answer the questions:

My uncle Ali is a scientist and loves animals. When he was younger, he traveled a lot in South America for work. He loved it there because the people were very **friendly** and helped him with his work. Then, about three years ago, something frightening happened to him and he was lucky he lived to tell me about it!

He was very interested in howler monkeys and wanted to do some research into their family groups. A local villager told him where there was a howler monkey family nearby and he was very happy. But the villager also said, "Tomorrow, we are going to have a lot of rain so it could be unsafe."

A. Choose the correct answer:

1. A/An ______ helped uncle Ali finds howler monkeys.
   (local villager - scientist - animal).
2. The underlined word **"friendly"** means ______

(angry - kind - hungry).

B. Answer the following questions:

3. Why did uncle Ali love South America?

He loved South America because people were very friendly and helped him with his work.

4. Summarize the second paragraph in one sentence.

Uncle Ali is interested in Howler monkey.

In a hospital in Bangalore, a city in southern India, there are many patients. The hospital treats patients from all over the country. With every patient, there are about ten family members. In India, it is unusual for a sick person to go to the hospital alone. Family usually go with their unwell relative.
This means that the hospital is often very crowded and busy. But instead of telling family members that they can't visit their sick relatives, the staff at this hospital are very wonderful. They have classes to teach the family to look after the sick person. For example, some people learn how to change bandages and others learn how to give injections.

A Choose the correct answer:

1. The main idea of the text is t a/an ________
(Egyptian festival- special hospital - school uniform).
2. The underlined word " **crowded**" means to ________ people in it.
(little - many - few).

B Answer these questions:

3. What useful things can family members do to help their sick relatives?

They can change bandages and give injections.

4. Summarize the first paragraph in one sentence.

In India, people turn the problem into good thing.

6-Punctuate the following sentences:

1- reem is vey friendly

Reem is very friendly.

2- did ancient egyptian use honey

Did Ancient Egyptian use honey?

7- Write a paragraph of (30) words using the following elements:

" Your apartment"

Ideas to help you: oven - balcony.

I live with my family in an apartment in Cairo. My apartment is big and there are many rooms. There are three bedrooms, a wide living room, a modern kitchen and two bathrooms. My mother has a modern oven in the kitchen. There is more space in the living room, so we have a big TV. We also have a fantastic balcony.

" Staying healthy"

Ideas to help you: water - fit.

There are many things we can do to stay healthy. First, we should eat healthy food. Fruit and vegetables are very important for our bodies. We shouldn't have much sweets. Secondly, we should do exercises every day to keep fit. Finally, we should sleep well and drink much water.

" Ancient Egyptian homes"

Ideas to help you: mud bricks - papyrus.

In Ancient Egypt, homes were generally very different. People built their houses from bricks made of mud from the river. The mud bricks made the walls strong; People use papyrus to cover doors and windows. Some houses were very cool. All of the houses had flat roofs.

" Honey "

Ideas to help you: kill bacteria - treatment.

Honey is very special food. Honey isn't only a food. It's used as a treatment for some injuries and illnesses. Doctors use it as a medicine. Ancient Egyptians used it many years ago to treat wounds. It also can kill bacteria. We can mix honey with milk to make cough better. It's very useful food.

"Different illnesses"

Ideas to help you: doctor - hurt.

There are many different illnesses. When you feel pain, you should go to the doctor. When my teeth hurt, I go to the dentist at once. We should look after our teeth and brush them every day. We also should take the right medicine.

Write a blog of about THIRTY [30] words about unusual homes using the following guiding elements. Your name is Noha.

Guiding elements:

upside down – ecological.

Noha	BLOG HOME ABOUT ME LINKS ARCHIVE
Friday, 3rd June "Unusual homes" I found an unusual house in the Netherlands online. It's upside down. It is actually an old farmhouse which people are changing to make it modern. This works very well because all the windows are at the top, so you get a lot of light. It is also very ecological because they use air, water, and sun to heat and make energy for the house.	

Choose the correct answer from a , b , c , d :

1- This bed is ……………….. , I don't like sleeping on it .
